Letter from the Executive Director:

As we continue looking for ways to expand the reach of PLO, I am blown away by the relationships that God brings us into! From ranchers and landowners to volunteers with Survivor. We have been sending out text, emails, and social media posts to recruit more volunteers and the response has been great. The amazing people are what make this ministry possible! **Thank you** for continuing to volunteer and serve alongside us as we seek God in prayer for His wisdom and guidance.

PLO partners with Victoria Rotary Club

This year Promised Land Outdoors partnered with the Victoria Rotary Club for their 26th Annual Jack Whitmire Clay Shoot! It was an amazing experience for both of us to work together and make the event such a success.

Thank you Victoria Rotary Club for this opportunity! We look forward to continuing this partnership.

Volunteer Round up!

This summer we are focusing on ramping up our volunteer database. There are so many amazing things that happen within this ministry and it all takes volunteers to make it happen. Maybe you've seen our post on social media or you've received a text, or you haven't seen either. We are trying to make the process of signing up to volunteer easy. You can simply text "volunteer" to (361) 360-5710. It will automatically send you a form to fill out!

Thank You to so many...

Thank you so much to Robbie Riehs for allowing us to use the the River Bend Ranch and host our very first Boy Scouts of Americas Troop. We were able to teach the Scouts Troop how to make, set, and check jug lines. Take them bowfishing at night and in the early morning and show them a great time at a beautiful place.

Thank You to Walter Dixon, Justin Dixon, Waylan Brannan, Hunter Barthels, Brian Wilborn, and Casey Sparks for giving of your time, talent, and treasure to help make this event possible!
